

10 - HOW DO YOU SEE GOD?
God is Limited by Circumstances and People?
Genesis 12:10-13:1

INTRODUCTION

1. There will always be situations that tempt us to fear (10)
2. The fear can cause us to make a plan to trust ourselves rather than trusting God (11-13)
3. We soon find out our plan is not guaranteed (14-16)
4. If God steps in after our plan fails, why can't we trust him before we make our failing plans? (12:17 - 13:1)

CONCLUSION

1. God is always bigger than the danger
2. God is always in control in the danger
3. God is always gracious when we fail in the danger
